WHAT A SALESMAN CAN DO TO SUCCEED IN BUSINESS,

HELP WANTED-MALES.

If you are alert, ambitious, healthy, and can talk intelligently, then you are the man we want. Experience is not absolutely accessary; it is more unportant that the man we employ be honest, capable, industrious and of good address; his inspiration should be the desire to build up a business connection which will return him more money than will anything ever we will teach him how to do ft; no matter what his previous occupations may have been.

The business of selling sound securities offers exceptional opportunities to use who will work differeity and conselentiously, and there is no cleaner, more educational, more elevating or more profitable an occupation.

There are no obstacles to be evercome in the employment we offer; there is everything to create the buying impulse; every requirement of the prospect is auticipated; the talking points of our proposition immediately make the prospect responsive to a closing argument; an unusual degree of profitable success awaits the salesman we employ; the Industry is one of the foremeat, and the corporation is a combination of several going, successful plants and properties.

Resides the liberal commission arrangement which makes large earnings easily isossible there is a bonus reward for quota work.

Tell your story briefly; appointments will be made mutually convenient. International., box 238 Sun-Herald.
